Parade Opens Rodeo Part of Stock Show

The second half of the Third District Livestock Show gets underway Thursday afternoon with a big rodeo parade through the downtown area. The parade was set for 4:30 p. m.

This signals the start of the rodeo whose first performance will get in motion promptly at 8 p. m. in the Coliseum. Two other rodeos will be held on Friday and Saturday nights.

Another feature of the rodeo will be the music of T. Tommy Blackmon and his Melody Boys from De Kalb, Texas. They will furnish music for the rodeo each night.

Stock officials said today that attendance continued to exceed last year and pointed to the top-flight rodeo as certain to keep up the pace the remaining three nights.

FFA judging contest got underway at 10 a. m. this morning with hundreds of youths from all over the district entered.

Friday is the big day for many 4-H and FFA club youths from all over the district. The parade is scheduled to get underway at 1:30 p. m.

Friday has also been designated School Day and all students of the area will be admitted free to the show grounds during the day, until 6 p. m.

Area Water Meet to Be Held in Hope

Friday evening, September 28, at 7:30 in the Hope City Hall an eleven county area meeting is to be conducted by the Arkansas Water Study Commission.

The Hope meeting is one of nine meetings to be held in different cities in the state to reveal the findings of study groups and to invite questions from persons and groups interested in water use.

Charles C. Butler, Director, Land and Water Use, American Farm Bureau Federation; George F. Motz, Extension Water Conservation and Utilization Coordinator; and at least three members of the Education Committee of the Water Study Commission will be in attendance.

All individuals and groups interested in water and its use for agriculture, municipalities, industry, and recreation are urged to be in attendance.

Hempstead County water use study committee was organized July 16 with Frank F. King, President of the County Chamber of Commerce, and N. B. Coleman, President, Hempstead County Farm Bureau, as co-chairmen.

The counties expected to be represented at the Friday evening meeting at the Hope City Hall in addition to Hempstead include: Pike, Howard, Scott, Little River, Miller, Lafayette, Nevada, Columbia, Ouachita and Union.

Leaders of Polish Riots Go on Trial

By KONRAD OSTERLOFF

POZNAN, Poland (UP)—Twelve men went on trial here today for two separate counts of alleged crimes committed during the June 20 riots.

Three of the men, aged 20 or under and with no previous criminal records, are charged with kicking an unarmed police corporal to death. They face death by hanging if convicted.

Nine other men accused of lesser crimes such as burglary and attacks on the police station are being tried in another courtroom of the squat grey concrete court-house half a mile from the riot scene.

Another 142 persons will be tried later.

Today's trials opened with a minimum of fanfare. The concrete building was sparsely used for the trials and extra police in plain clothes and grey-blue uniforms stood guard before the heavy wood-paneled doors of the courtroom beneath a white Polish eagle on a red shield.

The government said 55 persons were killed in the disorders, including nine soldiers and public security officials. More than 200 were injured before Polish Army tanks intervened. Some 300 persons were arrested but all have been released. Trial of 55 persons begins Oct. 5.

The disorders began when a meeting at the Polish church in the city center was broken up by rioters. The rioters then moved to the police station and the city hall, where they looted and burned. The rioters then moved to the city hall, where they looted and burned. The rioters then moved to the city hall, where they looted and burned.

Britain Explodes an Atomic Weapon

CANBERRA, Australia (AP)—Britain exploded an atomic weapon today at its new Maralinga proving ground in Australia.

Scientific records are being collected for accurate evaluation and all safety precautions are in operation.

The Maralinga tests had been held up for several weeks because of bad weather.

The atomic bomb was tested at a distance of 1,000 yards from the test site. The bomb was a "Fat Man" type, weighing 10,000 pounds and carrying a 5,000-pound warhead.

The test was a success, with the bomb exploding at an altitude of 1,000 feet. The explosion was seen from a distance of 10 miles.

The test was the first of a series of tests planned for the next few weeks. The tests will be held at the Maralinga proving ground, which is located in the heart of the Australian desert.

Forget-Me-Not Day Set Saturday

Saturday, September 29th, has been designated as Forget-Me-Not Day in Hope. On that day the little blue flowers will be offered for sale on the streets by the girls of the Future Teachers of America.

Mrs. F. L. Barker will be in charge of the girls and all proceeds will be used by the Disabled American Veterans. Department of Arkansas, to assist disabled veterans and their dependents in securing compensation, hospitalization, and other benefits to which they may be entitled under the laws of the Veterans Administration.

After 30 hectic years as an entertainer, he feels he is in the position of a sophomore at the moment.

Before the opening of the 1956 Little Rock season, he had nearly a million dollars on a new network series called "You'll Never Get Rich," starring Silas and Sgt. Bilko.

They hadn't even lined up a sponsor but their goal was to end the eight-year reign of NBC's Milton Berle as TV's Tuesday night king.

Phil succeeded where Red Skelton, Bob Hope, Gene Autry and Frank Sinatra had failed. He did it in three months, became the comedy king of the year. But the year? "I'm a sophomore now," said Phil, wryly. "And the breakbacks are sure to come."

But Silvers, while lacking the supreme self-confidence of the other comedy stars, is said to be a real success. He is going to be a success. He is going to be a success.

Seems to Be Little Doubt of Phil Silvers Lasting Many Years as TV's Sgt. Bilko

By HAL BOYLE

NEW YORK (AP) Ever wonder why so many comedians wear glasses? A Broadway cynic might say the reason was "so they can make their audience look larger." But if it were true, most comedians would wear hearing aids, too, to make their audience look larger.

Phil Silvers says this is why he started wearing spectacles as "Sgt. Bilko" on TV's Tuesday night show.

"I learned people like a sign of weakness in a performer," he said. "I learned that the more you wear, the more people like you. I learned that the more you wear, the more people like you. I learned that the more you wear, the more people like you."

Phil Silvers, 44, is a comedian, actor, and producer. He has been on TV for 10 years. He has been on TV for 10 years. He has been on TV for 10 years.

Uneasy Cease Fire Follows Brief Flurry

JERUSALEM (AP)—An uneasy calm hung over the Israeli-Jordan border today after a brief flareup of gunfire in this divided city.

A U.N. cease-fire appeal brought the short blaze of automatic weapons to an end. Last night with no casualties reported, I came less than 24 hours for a bloody Israeli strike into Jordan set off by a round of intensive talks among Arab leaders.

An Israeli army spokesman said the gunfire continued intermittently for about an hour and was the worst of snipers in the Jordanian sector. He claimed there was no firing from the Israeli side.

U.N. truce observers reported that both Israeli and Jordanian forces immediately obeyed their call to halt last night's exchange of fire. But Jordanian authorities hinted that large-scale Arab counterattacks might be in the making unless the U.N. Security Council moves to stop such raids as the Tuesday-Wednesday night attack in Jordan's Husein area.

In New York, U.N. Secretary General Dag Hammarskjöld called on representatives of Jordan, Israel and the Big Four powers to separate talks. He said he would call the Security Council to act if the situation is not brought rapidly under control.

George Walker May Be Lost for Season

FAVETTEVILLE, (AP)—Co-Captain and quarterback George Walker of the University of Arkansas football team will not be able to play against Oklahoma A&M Saturday and may be lost for the season, the university announced today.

Walker, talented senior from Nixon, injured his right knee in a preseason scrimmage and even after two weeks of treatment and even a return to the practice field, he is still unable to play.

Whether Walker will try to play for the season or have his knee repaired is still a question.

The United States voted with six other countries, including Russia, to include the Egyptian complaint on the council agenda. Britain, France, Australia and Belgium announced they would not do so.

The Suez debate will begin late next week, probably Tuesday or Friday.

The Egyptian complaint charges Britain and France with actions threatening world peace. The British-French charge protests against the Egyptian nationalization of the Suez Canal Co.

S. Deleaga, Henry Cabot Lodge Jr., said the United States wanted to see that all points of view were heard. He said it did not imply support of Egypt's charges.

Truth Group Denies River Objection

LITTLE ROCK (AP)—A Republican Party youth squad visited the Little Rock yesterday and declared that "nothing said further from the truth" than the Eisenhower administration's statement that the Eisenhower administration "opposed the Arkansas River project."

Sen. A. Barrett (R-Wyo.), a member of the three-man squad, said "truth is the Eisenhower administration approved the appropriation funds for the Dardanelle Dam on the Arkansas River."

Asked if it were not true that Eisenhower signed the bill on the river, he said "I don't know. I don't know. I don't know."

In a prepared statement on the river, Eisenhower said, "I don't know. I don't know. I don't know."

Stevenson's charge that the President's veto of the Rivers and Harbors Act last August indicated a lack of interest in water development projects is completely unfounded.

As for why he is stepping up his campaign, Eisenhower said, "I am simply because so many people are so confused. I am simply because so many people are so confused. I am simply because so many people are so confused."

Pedestrian Hit by Auto, Leg Broken

A pedestrian was seriously injured here about 5:25 p. m. yesterday at Third and Walnut when he stepped into the path of an auto driven by D. L. Arnold of Hope, R. I. City Police announced.

The man was listed as William Jefferson Owen, 65, of Wheeling, West Virginia. He suffered a broken leg and possible internal injuries. He was taken to Memorial Hospital by an Oakcrest ambulance.

No charges were filed following an investigation by local officers.

In a second accident yesterday vehicles driven by George P. Pendergast, Bradley, and Myrtle O. Rorke of Hope collided at Third and Harvey Streets yesterday with heavy trucks. The cars, owned by Charles E. O'Rourke, Jr., City Police said.

Charges of failure to yield the right-of-way were filed against the Bradley man.

Crime Rate Up in Large State Cities

WASHINGTON (AP)—The crime rate in Arkansas' larger cities increased during the first half of 1956, according to figures released yesterday by the Federal Bureau of Investigation.

The upward swing of Arkansas' crime rate was part of a national trend that saw major crimes in U. S. cities rise 14.4 per cent the first six months of the year compared with the first half of 1955. The crime rates for the first six months of 1956, per 100,000 inhabitants, were listed this way for four Arkansas cities:

Hot Springs — murder 1.1, robbery 5.13, assault 1.0, burglary 7.6, larceny and theft 120-144, auto theft 12-13.

Fort Smith — murder 0.1, robbery 1.6, assault 1.6, burglary 11.61, larceny and theft 120-144, auto theft 22-23.

Little Rock — murder 0.1, robbery 4.59, assault 55-57, burglary 323-342, larceny and theft 708-724, auto theft 22-23.

Pine Bluff — murder 0.1, robbery 1.6, assault 1.6, burglary 11.61, larceny and theft 120-144, auto theft 12-13.

County Educators to Meet Oct. 2

The Hempstead County Arkansas Education Association will meet with the first half of 1956 in the auditorium of Hope Junior High School.

Mrs. Emma Scott, editor of the AEA Journal and assistant director of field service, will be the guest speaker. She will discuss the state of education in Arkansas and the problems facing the state.

Amendment 43 which is to be voted on in November.

U. S. Balks, UN Votes to Debate Both Charges

By MAX HARRISON

UNITED NATIONS, N. Y. (AP)—The U.N. Security Council has voted to debate conflicting Western and Egyptian charges on the Suez dispute after U.S. refusal to go along with British-French attempts to throw out the Arab complaint.

The United States voted with six other countries, including Russia, to include the Egyptian complaint on the council agenda. Britain, France, Australia and Belgium announced they would not do so.

The Suez debate will begin late next week, probably Tuesday or Friday.

Ike to Make Additional Speeches

WASHINGTON (AP)—President Eisenhower said today he is going to make two or three more major campaign speeches than he had counted on.

Eisenhower told a news conference, however, he is not going to make any more speeches beyond the five or six he originally contemplated, would be made up.

He said he was stepping up his campaign because so many people are so confused. He said he was stepping up his campaign because so many people are so confused. He said he was stepping up his campaign because so many people are so confused.

Declares Ike Has Rejected Leadership

By MARVIN L. ARROWSMITH

KANSAS CITY, Mo. (AP)—Adlai Stevenson, jumping hard right under Harry Truman's nose, accused President Eisenhower last night of "constant rejection of the positive responsibilities of leadership."

Stevenson, the former President, said, "There is only one question to be asked tonight: Is Eisenhower administration that is 'who is in charge?' or 'who is not in charge?'"

Stevenson said, "There is only one question to be asked tonight: Is Eisenhower administration that is 'who is in charge?' or 'who is not in charge?'"

Story of 7 Teenagers, Auto Ride

Perhaps It Was Going Good

LITTLE ROCK (AP)—An Internal Revenue Service employee today got a chuckle out of an entry he found while checking income tax returns.

After the item "marital status," a taxpayer had written: "good."

All Around the Town

Police Chief Jack Brown warned today that many motorists are ignoring recently placed stop signs at the High School.

He said he was observing the signs every day and that parents were giving the most routine indication of officers would start making arrests.

Several Hope students are very active in affairs at Henderson State Teachers College. Don Browning was recently named assistant of the ROTC Corps and was awarded a distinguished military student award. Two local lads are members of the Collegians, the school's dance band. Bill Anderson plays the trombone and Bill Clark plays the trumpet.

Frank died in an ambulance on the way to a hospital. Joyce died early yesterday morning.

McDonnell died shortly after breakfast.

Allen died before noon.

Case Against Texarkana JC Is Dismissed

By E. S. KELLUM

TYLER, Tex. (AP)—U. S. District Judge J. W. Sheely today dismissed a petition for a writ of habeas corpus against two officials of the Texarkana Junior College.

The officials, who were charged with the kidnapping of a student, were released from custody. The case was dismissed.

\$4 Million Plan for Forrest City

LITTLE ROCK (AP)—A four-million-dollar plan to build a new downtown area in Forrest City, Ark., was announced today by the Arkansas Industrial Development Commission.

The plan includes the construction of a new hotel, a new office building, and a new parking lot. The plan is expected to create 100 jobs.

Patmos Church Plans Revival

Patmos Church of Christ will begin a revival meeting Monday night, October 1, with Evangelist Elton S. Hughes of Center, Texas doing the preaching. Services begin each night at 7:30 and the public is invited.

Number of Wage Earners Decline

LITTLE ROCK (AP)—The number of wage earners in Arkansas declined in 1955, according to a report by the U.S. Bureau of Economic Analysis.

The report shows that the number of wage earners in Arkansas declined by 1,000 in 1955. The decline was due to a combination of factors, including a decline in the number of new jobs created and a decline in the number of people leaving the workforce.

Babe Zaharias, Greatest Woman Athlete, Dies

GALVESTON, Tex. (AP) — Babe Didrikson Zaharias, the greatest woman athlete the world has known, died today after a stubborn battle with the one competitor she couldn't beat—cancer.

Early this morning before her death, George Zaharias, her husband, said:

"She's had enough agony, stress and pain. And so I'm losing my wife, partner and love."

"I know she'll live forever in the hearts of millions."

She died at 42 years, the packed athletic triumphs that began with AAGU basketball tournaments.

Almost from the start she was known affectionately to sports fans as "The Babe" for a tag hung on her by her family.

She showed versatility early. Into her 42 years, she played basketball, football, tennis, golf, and was first-place winner in a long-distance race.

Cancer struck in 1953 just after she won the golf tournament named for her—the Babe's Open in Beaumont.

After the underdog surgery that won her seven golf tournaments, "The Babe" couldn't stop playing. But she couldn't stop playing.

Leaders of Polish Riots Go on Trial

By KONRAD OSTERLOFF
POZNAN, Poland (AP) — Twelve men went on trial here today for two separate outbreaks of alleged crimes committed during the June 20 riots.

Three of the men, aged 20 or under and with no previous criminal records, are charged with kicking an unarmed police corporal to death. They face death by hanging if convicted.

Nine other men accused of lesser crimes such as burglary and attacks on the police station are being tried in another courtroom of the squat grey concrete court-house half a mile from the riot scene.

Another 142 persons will be tried later.

Today's trials opened with a minimum of fanfare. The concrete building was sparsely used for the trials and extra police in plain clothes and grey-blue uniforms stood guard before the heavy wood-paneled doors of the courtroom.

The government said 55 persons were killed in the disorders, including nine soldiers and public security officials. More than 200 were injured before Polish Army tanks intervened. Some 300 persons were arrested but all have been released. Trial of 55 persons begins Oct. 5.

Area Water Meet to Be Held in Hope

Friday evening, September 28, at 7:30 in the Hope City Hall an eleven county area meeting is to be conducted by the Arkansas Water Study Commission.

The meeting is one of nine meetings to be held in the state to discuss the findings of study groups and to invite questions from persons and groups interested in water use.

Charles C. Butler, Director, Land and Water Use, American Farm Bureau Federation; George F. Motz, Extension Water Conservation and Utilization Coordinator; and at least three members of the Education Committee of the Water Study Commission will be in attendance.

All individuals and groups interested in water and its use for agriculture, municipalities, industry, and recreation are urged to be in attendance.

Hempstead County water use study committee was organized July 16 with Frank F. King, President of the County Chamber of Commerce, and N. B. Coleman, President, Hempstead County Farm Bureau, as co-chairmen.

The counties expected to be represented at the Friday evening meeting at the Hope City Hall in addition to Hempstead include: Pike, Howard, Scott, Little River, Miller, Lafayette, Nevada, Columbia, Ouachita and Union.

Declares Ike Has Rejected Leadership

By MARVIN L. ARROWSMITH
KANSAS CITY, Mo. (AP) — Adlai Stevenson, jumping hard right under Harry Truman's nose, accused President Eisenhower last night of "constant rejection of the positive responsibilities of leadership."

Stevenson said he was stepping up his campaign pace, Eisenhower said it was a simple because so many "responsibilities have been made" by him by good friends.

Parade Opens Rodeo Part of Stock Show

The second half of the Third District Livestock Show gets underway Thursday afternoon with a big rodeo parade through the downtown area. The parade was set for 4:30 p. m.

This signals the start of the rodeo whose first performance will get in motion promptly at 8 p. m. in the Coliseum. Two other rodeos will be held on Friday and Saturday nights.

Another feature of the rodeo will be the music of T. Tommy Blackmon and his Melody Boys from De Kalb, Texas. They will furnish music for the rodeo each night.

Stock officials said today that attendance continued to exceed last year and pointed to the top-flight rodeo as certain to keep up the pace the remaining three nights.

FFA judging contest got underway at 10 a. m. this morning with hundreds of youths from all over the district entered.

Friday is the big day for many 4-H and FFA club youths from all over the district. The parade is scheduled to get underway at 1:30 p. m.

Friday has also been designated School Day and all students of the area will be admitted free to the show grounds during the day, until 6 p. m.

JERUSALEM (UP) — An uneasy calm hung over the Israeli-Jordan border today after a brief flareup of gunfire in this divided city.

A U. N. cease-fire appeal brought the short blaze of automatic weapons to an end. Last night with no casualties reported, I came less than 24 hours for a bloody Israeli strike into Jordan set off by a round of intensive talks among Arab leaders.

An Israeli army spokesman said the gunfire continued intermittently for about an hour and was the worst of snipers in the town since the "Old City" of Jerusalem, shooting into the Israeli sector. He claimed there was no firing from the Israeli side.

U. N. truce observers reported that both Israeli and Jordanian forces immediately obeyed their call to halt last night's shooting in Jerusalem. But Jordanian authorities hinted that large-scale Arab counterattacks might be in the making unless the U. N. Security Council moves to stop such raids as the Tuesday - Wednesday night attack in Jordan's Huzan area.

In New York, U. N. Secretary General Dag Hammarskjöld called in representatives of Jordan, Israel and the Big Four powers for separate talks. He said he would get the Security Council to act if the situation is not brought fully under control.

Babe Zaharias, Greatest Woman Athlete, Dies

GALVESTON, Tex. (AP) — Babe Didrikson Zaharias, the greatest woman athlete the world has known, died today after a stubborn battle with the one competitor she couldn't beat—cancer.

Early this morning before her death, George Zaharias, her husband, said:

"She's had enough agony, stress and pain. And so I'm losing my wife, partner and love. I know she'll live forever in the hearts of millions."

Into her 42 years, she packed athletic triumphs that began with AAU basketball tournaments, in 1928, and finally the Olympic games of the 1936 Olympics.

Almost from the start she was known affectionately to sports fans as "The Babe" for a tag hung on her by her family.

She showed versatility early. In her 42 years, she won a national title in basketball, and was first-place winner in a basketball tournament.

Cancer struck in 1953 just after she won the golf tournament named for her—the Babe's Open in Beaumont.

Asked if it were not true that Eisenhower signed the bill today to make two more years of his term, she said she was not sure. She said she was not sure. She said she was not sure.

Anyhow, he signed it. In a prepared statement on the extra speeches, beyond the five or six he originally contemplated, would be made up.

As for why he is stepping up his campaign pace, Eisenhower said it is simply because so many people are so interested in him by good fortune.

He said he would not mind what about not accepting.

And, Eisenhower said, as far as he knows there is no health question involved at the moment in increasing his campaign pace.

Even now, Eisenhower said, he is not going to do one thing as much as people want him to do. It was wide-ranging news conference, developing most and issues in political questions and issues in share of the cost as provided by law.

The truth is that the bill authorized 99 projects costing \$1,000,000,000. It is a wonder that an administrator observed with balancing the budget would look twice at such a bill especially in view of the fact that 99 projects had been reviewed by the respective states and by the chief of the Army Engineers as required by law. These 99 projects costing over half a billion dollars did not mean a penny more to the Treasury than the cost of the projects.

President Eisenhower signed the Public Works measure bill July 2 and issued a statement expressing concern over the budget.

He said this "popularizes the balance between future commitments for water source development and other federal obligations."

"Three of these unbudgeted projects are major structures," the authorized Arkansas River basin comprehensive navigation development.

Seems to Be Little Doubt of Phil Silvers Lasting Many Years as TV's Sgt. Bilko

By HAL BOYLE

NEW YORK (AP) — Ever wonder why so many comedians wear glasses? A Broadway cynic might say the reason was "so they can make their audience look larger." But if it were true, most comedians would wear hearing aids, too, to avoid convincing themselves they were getting louder laughs.

Phil Silvers says this is why he first started wearing spectacles as "Sgt. Bilko" 25 years ago.

"I learned people like a sign of weakness in a performer," he said. "It makes them feel more human, and gives them more of a feeling toward him."

"I'm a sophomore now," said Phil, wryly. "And the breakbacks are sure to come."

But Silvers, while lacking the supreme self-confidence of the original Bilko, has a sense of humor about it. He said he is going to keep wearing his glasses as long as he can.

George Walker May Be Lost for Season

FAVETTEVILLE, Ark. — Captain and quarterback George Walker of the University of Arkansas football team will not be able to play against Oklahoma A&M Saturday and may be lost for the season, the university announced today.

Walker, talented senior from Nixon, injured his right knee in a preseason scrimmage and even after two weeks of treatment and even a return to the practice field, he is still out of action.

Whether Walker will try to play part of the season or have his senior year of eligibility for 1957 will be left up to him, the university announcement said. Arkansas opens its Southwest Conference campaign against Texas Christian Oct. 6.

Truth Group Denies River Objection

LITTLE ROCK (AP) — A Republican Party "truth squad" visited the Little Rock yesterday and declared that "nothing said further from the truth" than the Eisenhower administration approved the appropriation funds for the Darnall Dam on the Arkansas River.

Sen. A. Barrett (R-Wyo.), a member of the three-man squad, said "the Eisenhower administration approved the appropriation funds for the Darnall Dam on the Arkansas River."

Asked if it were not true that Eisenhower signed the bill today to make two more years of his term, he said he was not sure. He said he was not sure.

Story of 7 Teenagers, Auto Ride

WASHINGTON (UP) — This is the story of seven young Washington youths, an automobile ride to an ice cream parlor and death.

Frank Payton, a 16-year-old high school student, called on his 15-year-old girl friend, Sharon Hatfield, early this morning. Charles Ford, a 22-year-old friend, dropped by later.

Then they decided to go out for a "treat" at a soda fountain.

On the way in Charles car they picked up 14-year-old John Brown and 15-year-old Weyman Coffey. They met 14-year-old Weyman Coffey, 15-year-old Allan Moore and Sharon's 16-year-old brother, Michael, at the soda fountain or shortly afterwards.

U. S. Balks, UN Votes to Debate Both Charges

By MAX HARRISON
UNITED NATIONS, N. Y. (AP) — The U. N. Security Council has voted to debate conflicting Western and Egyptian charges on the Suez dispute after U. S. refusal to go along with British-French attempts to throw out the Arab complaint.

The United States voted with six other countries, including Russia, to include the Egyptian complaint on the council agenda. Britain, France, Australia and Belgium announced they would not do so.

The Suez debate will begin late next week, probably Tuesday or Friday.

It is a wonder that an administrator observed with balancing the budget would look twice at such a bill especially in view of the fact that 99 projects had been reviewed by the respective states and by the chief of the Army Engineers as required by law. These 99 projects costing over half a billion dollars did not mean a penny more to the Treasury than the cost of the projects.

It was wide-ranging news conference, developing most and issues in political questions and issues in share of the cost as provided by law.

Declares Ike Has Rejected Leadership

By MARVIN L. ARROWSMITH
KANSAS CITY, Mo. (AP) — Adlai Stevenson, jumping hard right under Harry Truman's nose, accused President Eisenhower last night of "constant rejection of the positive responsibilities of leadership."

Stevenson, former President, said the former President, smiling, a cheering overflow audience in the 2,300-seat music hall of Municipal Auditorium.

"There is only one question to be asked about the Eisenhower administration. That is: 'Who is in charge?'" Stevenson asked. "Why is this business administration keeps the store?"

Only last month, at the Democratic National Convention, Truman fought to keep the presidency. The president had been elected in 1952, and Stevenson had been elected in 1956.

Perhaps It Was Going Good

LITTLE ROCK (AP) — An Internal Revenue Service 3-mile drive today got a shakeout out of an entry he served him while checking income tax returns.

After the item "mutual status," a taxpayer had written: "good."

Police Chief Jack Brown warned today that many motorists are ignoring recently placed stop signs at the High School.

They met 14-year-old Weyman Coffey, 15-year-old Allan Moore and Sharon's 16-year-old brother, Michael, at the soda fountain or shortly afterwards.

They decided to take a ride. About 9:30 p. m. the car traveling south on Highway 101 at about 75 miles an hour, spun out of control on the winding road at the Ft. Washington reservation in nearby Maryland.

The two-door sedan crashed against a big sycamore tree. Coffey and Moore were dead when police arrived.

Frank died in an ambulance on the way to a hospital.

Joe died early yesterday morning.

McDonnell died shortly after breakfast.

Allen died before noon.

Only Mike was alive today to remember.

Turnabout Witness Faces Sentence

NEW YORK (U) — Turnabout witness Harvey M. Matusow, convicted of perjury in a Communist conspiracy case, faces a possible maximum sentence of 25 years in prison and \$100,000 fine.

Matusow, 38-year-old former Communist who testified that the government in many conspiracy cases, will be sentenced tomorrow by U.S. Judge John F. C. McGee.

Matusow pleaded and slumped in his chair with his hands to his eyes as a federal court jury of 10 men and 2 women brought in the guilty verdict late yesterday after 90 minutes of deliberation.

Defense counsel announced plans to appeal.

Matusow was convicted on five counts of perjury. The case developed from his recantation of the testimony he gave as government witness at the 1952 conviction trial of 13 seditioning Communist leaders.

After the jury found him guilty, the judge raised his bail from \$3,000 to \$100,000 but allowed Matusow to remain in custody until late today to raise the added bail.

The time yesterday and Lo Sena shouted, "Here's my watch," and hauled Lepre to a police station.

Turkey, Ham Listed as Good Buys

By The Associated Press

Turkey, ham and several varieties of pork will be featured in the nation's supermarkets and neighborhood grocery stores this week-end.

In addition, chickens still are surprisingly popular for this time of year, and steaks are featured at lower prices in some sections.

Generalists, however, the housewife looking for beef will have to settle for hamburger or chuck roast.

Butler was reported one in four cents higher in various sections, while egg prices ranged from down three cents to up two cents.

Turkeys are likely to be "specials" for some time, as a matter of fact, for the 1956 crop is expected to hit 76 million head, which is 18 per cent more gold-broilers than in 1955.

As a partial counterbalance, however, cranberry sauce, a "must" with turkey is likely to cost more money. Frost predicted the crop, which will be about seven per cent smaller than last year.

Pork varieties to be featured

this weekend include chops, butts, loin, shoulder and sausage. Future outlook, however, is for smaller supplies than last year the unusually low 1955 figures.

Cabbage and potatoes still, top the "best buy" list at vegetable counters.

Other vegetables with especially attractive prices tags this week-end are celery, corn, eggplant, onions, peppers and tomatoes. Cauliflower and brussels sprouts will be cheap and bean sprouts will be cheap.

Apples and grapes generally are plentiful and cheap enough to fill fruit bowls economically.

About 10 in every 100 American women over 65 years old have jobs.

Several patrons who have recently moved to our community were present and welcomed by the group.

At the close of the meeting refreshments were served.

Mrs. Jim McKenzie

Chapter AE of the PEO Sisterhood met Tuesday, September 25, in the home of Mrs. Jim McKenzie with Mrs. Henry Moore as assistant hostess.

Mrs. Henry Moore, president, opened the meeting and led the business session. The devotionals were given by Mrs. H. O. Kyle Sr.

The program was in charge of Mrs. Clyde Monte and the 15 members were served refreshments by the hostess.

Hempstead County Classroom Teachers Meeting

The Executive Committee of the Hempstead County Classroom Teachers' Association met Saturday, September 22, 1956, at the City Hall.

Mrs. James McLarty is President of the organization. Mrs. B. N. Holt, Vice President. Miss Evelyn Dean, Sec. Treas. and Mrs. Homer Reaves, Reporter.

After vigorous discussion on the forthcoming proposed legislation, the following recommendations were made:

"Whereas the return of the open sale of liquor will have a detrimental effect on the children and youth as well as adults of Hempstead County.

And whereas the standard of the public schools are determined by the moral standards of the community citizens.

And whereas the 30-mill limit of taxes will seriously lower the already inadequate school revenue in most districts.

Therefore, we, the representatives of the Hempstead County Classroom Teachers' Association, do hereby

recommend that the following legislation be passed by the Arkansas General Assembly:

that the major benefits of the structures will not be realized until the entire navigation development is completed, he said. The President vetoed the water project authorization bill, which included the proposed Millwood Dam in southwest Arkansas and several other projects in the state on Aug. 11.

Barrett added: "The vetoed bill was an authorization bill and not an appropriation bill and consequently a new authorization bill can be enacted early in the next session followed by appropriations in vetoing the bill, the President said. "So my action on this bill need cause no delay in starting the many worthwhile projects in this bill."

The "truth squad" is following Stevenson, the Democratic presidential nominee, who spoke at Little Rock Tuesday.

Turnabout Witness Faces Sentence

Continued From Page One

NEW YORK (AP) — Turnabout witness Harvey M. Matson, convicted of perjury in a Communist conspiracy case, faces a possible maximum sentence of 25 years in prison and \$100,000 fine.

Matson, 38-year-old former Communist who testified that the government in many conspiracy cases, will be sentenced tomorrow by U. S. Judge John F. C. McKehe.

Matson pleaded and slumped in his chair with his hands to his eyes as a federal court jury of 10 men and 2 women brought in the guilty verdict late yesterday after 90 minutes of deliberation.

Defense counsel announced plans to appeal.

Matson was convicted on five counts of perjury. The case developed from his recantation of the testimony he gave as government witness at the 1952 conviction trial of 13 seditioning Communist leaders.

After the jury found him guilty, the judge raised his bail from \$3,000 to \$100,000 but allowed Matson to remain in custody until late today to raise the added bail.

The time yesterday and Lo Sena shouted, "Here's my watch," and hauled Lepre to a police station.

Turkey, Ham Listed as Good Buys

By The Associated Press

Turkey, ham and several varieties of pork will be featured in the nation's supermarkets and neighborhood grocery stores this week-end.

In addition, chickens still are surprisingly popular for this time of year, and steaks are featured at lower prices in some sections. Generally, however, the housewife looking for meat will have to settle for hamburger or chuck roast.

Butler was reported one in four cents higher in various sections, while egg prices ranged from down three cents to up two cents.

Turkeys are likely to be "specials" for some time, as a matter of fact, for the 1956 crop is expected to hit 76 million head, which is 18 per cent more gold-birds than in 1955.

As a partial counterbalance, however, cranberry sauce, a "must" with turkey is likely to cost more money. Frost predicted the crop, which will be about seven per cent smaller than last year.

Pork varieties to be featured

this weekend include chops, butts, loin, shoulder and sausage. Future outlook, however, is for smaller supplies than last year, the unusually low 1955 figures.

Cabbage and potatoes still, top the "best buy" list at vegetable counters.

Other vegetables with especially attractive price tags this week-end are celery, corn, eggplant, onions, peppers and tomatoes. Cauliflower and brussels sprouts will be cheap and brussels sprouts will be cheap and carrots also are moderately priced in some places.

Apples and grapes generally are plentiful and cheap enough to fill fruit bowls economically.

About 10 in every 100 American women over 65 years old have jobs.

CHAPTER III
STORY: Major Milo
March has flown to Berlin to
undertake a very important
mission. He is to find Hermann
Grass, an important West
German intelligence officer, who
has fled to the East, willingly
or unwillingly. March's job is to
bring him back.

CHAPTER II
It was two years since I'd been
in Berlin, but could see a differ-
ence even as an Army car drove
me into the heart of the city.
There had been a lot of rebuilding
so that the scars of war were
disappearing. There was a differ-
ence, also, in the attitudes of the
people I saw on the street. They
walked with more of the old Ger-
man arrogance and I found my-
self wondering how long it would
be before they'd be going-stepping
again.

CHAPTER I
What's wrong with the Post-
war? he demanded. He asked me
more to himself than to me. He
obviously knew nothing about my
mission except that I was after
information about Grass. "We've
covered every angle on Grass
and plenty of men on it and they're
all familiar with Berlin
and the situation. How do they
expect a new man to contribute
anything?"

"You know how it is in the
Army," I told him. "The general
believes that many hands make
the work light."

"The starch that West Point had
poured into him," he began. "I
remember," I said. "Major Robert
Lange's that he's doing," he
said. "I don't know," I said. "My
order is to find him. I don't care
how I do it. I want to see him."

"I don't know," I said. "My
order is to find him. I don't care
how I do it. I want to see him."

Farmer Can Borrow for Repairs
Eligible farm owners in Hemp-
stead County may borrow from the
Farmers Home Administration to
build or repair farm houses and
other essential farm buildings. W.
M. Sparks, the agency's county
supervisor, said today.

He said the farm housing loans
were made available under recent
legislation. A total of \$50,000,000
has been provided for these loans.
Interest on the loans will be 4
percent per year on the unpaid
principal. Repayments will be
scheduled over periods up to 35
years.

Housing loans will be secured by
a mortgage on the borrower's farm.
The agency expects applicants to
obtain the building plans and spec-
ifications for the improvements to
be financed with the loans. To
help the borrower obtain construc-
tion that meets generally accepted
standards, the agency will review
the plans and inspect the con-
struction.

The local Farmers Home Admin-
istration county committee will
determine whether or not an ap-
plicant is eligible for a housing
loan. To be eligible, an applicant
must be a farmer, own the land
on which the house is to be built,
be unable to obtain suitable credit for
dwellings and other buildings from
other lenders, and have enough
income from the farm to meet
family living and farm operating
expenses and repay his debts.

Farm Housing loans are made
under the authority of Title V
of the Housing Act of 1949, as amended.
Further information on the loans
may be obtained at the county of-
fice of the Farmers Home Admin-
istration located in the courthouse,
Hope, Arkansas.

Pole Officer Makes Way to Free Zone
ROSENBERG, Denmark (AP)—A
Polish "jet fighter plane" crashed
on a jet fighter plane on an
uncompleted airstrip here today and
the crew of the plane was taken
to the airport.

Air force officers on this Danish
Island of Bornholm in the Baltic
said the plane was a MIG fighter
plane, a much taller, rugged than
any seen on a MIG fighter known
to the Iron Curtain. They
would comment on its probable
performance.

A big canvas was thrown over
the plane and army and air force
troops guarded the area. The
plane was taken into custody for
questioning.

One of the plane's wing tips
was damaged slightly in the land-
ing.

Before police arrived, the pilot
displayed a map of the small oil-
field airport 60 miles north of the
Polish coast. He expressed sur-
prise that the runway con-
struction had not been completed
and mildly scolded airport work-
ers for not moving planes parked
on the strip while he circled the
field.

The map appeared to be an of-
ficial print issued to members of
the Polish air force in the Baltic
region. It showed new runways
which have been planned but not
yet built.

GOP Truth Squad Moves to L. R.
LITTLE ROCK (AP)—A Republican
"truth squad" of two congressmen
and two senators moved into town
today, following Adlai Stevenson
who spoke here yesterday.

The purpose of the "truth
squad" was to point out "discrep-
ancies" in the Democratic presi-
dential nomination race.

Members of the team are Sen.
Frank B. Rowland of Virginia and
Berry Goldwater of Arizona and
Rep. Donald Jackson of Calif.
and Sen. William A. Wright of
New Jersey.

They scheduled a news confer-
ence for 10 a. m. today.

About 25 in all of the American
press were expected to attend.

Haney Confident Braves Will Win the Crown

By MILTON RICHMAN
 United Press Sports Writer

Braves will clinch by Sunday, Walt Alton says the Dodgers will battle their way into playoff and Casey Stengel says "c'mon anybody," because Yankees are favored and eager to get the World Series started.

All clubs in the majors had an off-day today and no one was enjoying it more than Haney, whose Braves boast a full game lead with only three left to play.

"We're going to win by Sunday," beamed the little Milwaukee skipper. "We're no going to need any help."

It was Haney's first real show of confidence in two weeks and his big factor behind that optimism was Philadelphia's 7-3 victory over Brooklyn at Ebbets Field yesterday. Even with the setback, though, there was no doubt in his mind that his Braves were the best team in the National League.

Reckoning Milwaukee's final three games with the Cardinals and the Pirates, the Dodgers are in a position to win the pennant. The Braves lose one to the Cardinals and the season will open here all over again next Monday.

It means a playoff, son—you know one of those best-two-out-of-three deals that decides the whole lot of baseball.

Robt Roberts, who rapped up his 10th victory, was the one who did the Dodgers' dirt yesterday. He pitched a perfect game, even though he was tagged for a pair of homers by Duke Snider and Bobby Thomson.

Roberts limited Brooklyn to five hits and the Phils jumped in front to stay when a second-inning error by left-fielder Sandy Amoros paved the way for three runs off the loser Don Newcombe.

Del Eskin shored in the third and Philadelphia added three more runs in the seventh or back from last year's team. Probable starters include Larry Vaughn 140, John Watskins 145 at left; Tommy Jones 100 or Max Bruce 155 at left; Joe O'Brien 170 or Todd Messer 174 at right; Bobby Ewing 135 or Bobby Kilds 145 at right.

Richard Neal 155, quarterback; Eddie King 138, left half; Byron Smith 130 or Johnny Turner 132 at right; Terry Thurman 190 or Wayne Camp 130 at fullback.

Walt Alton, who is already being named as Alton's choice to lead the Cardinals, said the Cardinals are in a position to win the pennant. The Braves lose one to the Cardinals and the season will open here all over again next Monday.

'Colds' Plague Bobcats on Eve of Gurdon Game

By The Associated Press
 NATIONAL LEAGUE

Coach Leon Turpin and John Pierce reported a very good week of work despite "bad colds" that plagued the Bobcats in preparation for Gurdon Friday night. John Nix will definitely not see action this week and Center Lynn Wiggins has missed several days with a cold. He may not see action, in which event, Charles Chambers will be moved back to center from a guard spot.

Johnny Graves may start at left half in Nix's slot and Lingo has been moved to left half to strengthen that post. This leaves Don Booth at the fullback post.

So it possible Coach Turpin will go with a lineup of the starting lineup. Moran, Tittle, Hoile and Vurberly. However, the main definitely out is Nix.

Gurdon has a fine team which could easily give the Bobcats more than they expect. The Goshawks seem to be improving rapidly. They opened the season by downing Blooming 32 to 6 and gave Ashdown a rough contest before going down to the last week of the season.

Pushed Fairview all over the field only to lose by a single point, 7 to 6.

Actually, two games are slated for tonight. At 6 p. m. Brookwood plays Oglethorpe in grade school competition.

Yesterday morning, the Henderson Ministerial Assn. asked parents to keep their children in the county school, but only 208 of the 370 white kids turned up for classes with five Negroes.

Bobcats will take on a Texarkana aggressive Junior High team on the local field starting at 7:30 p. m. The local fans are extremely experienced having only one victory in the last year's team.

Probable starters include Larry Vaughn 140, John Watskins 145 at left; Tommy Jones 100 or Max Bruce 155 at left; Joe O'Brien 170 or Todd Messer 174 at right; Bobby Ewing 135 or Bobby Kilds 145 at right.

Richard Neal 155, quarterback; Eddie King 138, left half; Byron Smith 130 or Johnny Turner 132 at right; Terry Thurman 190 or Wayne Camp 130 at fullback.

Walt Alton, who is already being named as Alton's choice to lead the Cardinals, said the Cardinals are in a position to win the pennant. The Braves lose one to the Cardinals and the season will open here all over again next Monday.

General Rain Need Becomes More Critical

By The Associated Press
 NATIONAL LEAGUE

LITTLE ROCK (AP)—Arkansas need for a general rain to assure adequate soil moisture for crops is becoming "more critical," the federal-state Crop Reporting Service said today.

The service said that nearly all fields of the state are reporting insufficient soil moisture and that the condition is hampering the preparation of fall seedbeds and planting of small grains.

The dry weather, however, has been "ideal" for harvestings cotton, corn and rice, the agency said.

Although the quality of the cotton crop is reported good, the yield in nearly all areas is lower than last year, and the soybean crop is below earlier expectations.

Rice yields are reported very good. Late corn and sorghum crops are suffering badly from dry weather. The service said many fields are complete failures.

Pasture conditions continue to be hailing water to stock because of critically low water supplies.

The service said the farm labor supply generally is adequate except in major cotton producing areas where additional pickers are needed.

So it possible Coach Turpin will go with a lineup of the starting lineup. Moran, Tittle, Hoile and Vurberly. However, the main definitely out is Nix.

Pushed Fairview all over the field only to lose by a single point, 7 to 6.

Actually, two games are slated for tonight. At 6 p. m. Brookwood plays Oglethorpe in grade school competition.

Yesterday morning, the Henderson Ministerial Assn. asked parents to keep their children in the county school, but only 208 of the 370 white kids turned up for classes with five Negroes.

Bobcats will take on a Texarkana aggressive Junior High team on the local field starting at 7:30 p. m. The local fans are extremely experienced having only one victory in the last year's team.

Probable starters include Larry Vaughn 140, John Watskins 145 at left; Tommy Jones 100 or Max Bruce 155 at left; Joe O'Brien 170 or Todd Messer 174 at right; Bobby Ewing 135 or Bobby Kilds 145 at right.

BEER PAYS \$3,058,279 ANNUAL UTILITY BILL

By The Associated Press
 NATIONAL LEAGUE

Public utilities provide employment for thousands of breadwinners in Arkansas, and the brewing industry pays \$3,058,279 annually for electricity, natural gas, water and telephone service. These payments go to salaries of many individuals, to pay dividends on stock, and for utility improvements which benefit all users in Arkansas.

The utility expenditure is a vital part of the \$104,404,876 beer industry in Arkansas.

So it possible Coach Turpin will go with a lineup of the starting lineup. Moran, Tittle, Hoile and Vurberly. However, the main definitely out is Nix.

Gurdon has a fine team which could easily give the Bobcats more than they expect. The Goshawks seem to be improving rapidly. They opened the season by downing Blooming 32 to 6 and gave Ashdown a rough contest before going down to the last week of the season.

Richard Neal 155, quarterback; Eddie King 138, left half; Byron Smith 130 or Johnny Turner 132 at right; Terry Thurman 190 or Wayne Camp 130 at fullback.

Walt Alton, who is already being named as Alton's choice to lead the Cardinals, said the Cardinals are in a position to win the pennant. The Braves lose one to the Cardinals and the season will open here all over again next Monday.

It means a playoff, son—you know one of those best-two-out-of-three deals that decides the whole lot of baseball.

Robt Roberts, who rapped up his 10th victory, was the one who did the Dodgers' dirt yesterday. He pitched a perfect game, even though he was tagged for a pair of homers by Duke Snider and Bobby Thomson.

Roberts limited Brooklyn to five hits and the Phils jumped in front to stay when a second-inning error by left-fielder Sandy Amoros paved the way for three runs off the loser Don Newcombe.
